1. To win, you must score the winning points before your opponent.
2. You score points when you use the striker to push the pucks into any of the 4 pots/pockets on the corners of the carrom board.
3. Practice different types of carrom shots such as side shot, middle shot, cut and take, thumb hot, second hit, board shot, cut shot, double shot, back shot, etc.
4. All pucks carry a score.
  - Black puck: 10 points
  - White puck: 20 points
  - Queen/Red puck: 50 points
5. Pocketing the Queen must be followed by pocketing a puck as its cover.
6. It will be a foul if you pot:
  - the striker
  - the Queen, before pocketing any other puck
  - the board's last puck, before pocketing the Queen
7. In case of a foul, a puck is returned to the board as a penalty.
